

TRANSFORMING THE FUTURE

LECTURE SERIES

EUROPE IN CRISIS

Professor Emeritus Dr. Klaus R. Kunzmann discusses the European economic and financial crisis

What does the future hold for 'old' Europe?

Professor Emeritus
Dr. Klaus R. Kunzmann

Professor Emeritus Dr. Klaus R. Kunzmann is visiting the European Union Centre at RMIT University.

He is the Jean Monnet Professor of Spatial Planning in Europe at the Technical University of Dortmund, Germany. Prof Kunzmann is a member of the German Academy of Spatial Planning and Research, an honorary member of the Royal Town Planning Institute in Britain and an honorary member of the Association of European Schools of Planning.

As part of the Vice-Chancellor's Transforming the Future lecture series, he will discuss what the economic and financial crisis in Europe means for the cities and regions in the European Union. The public lecture will present alternative scenarios of territorial development in Europe in times of growing global integration.

The European Union Centre at RMIT University is funded through a grant from the European Union and RMIT University.
