# Enhancement and Innovation in Higher Education

Crowne Plaza Hotel, Glasgow, UK  
11-13 June 2013

10 years of enhancing the student experience

## First Announcement

The Scottish higher education sector is celebrating 10 years of its focused approach to enhancement of the student experience by hosting an

### International Conference on Enhancement and Innovation in Higher Education 11-13 June 2013

Held in Glasgow on the banks of the historic River Clyde, it will bring together individuals and groups from across the globe engaged in enhancing the student learning experience. The conference will feature a series of keynote lectures from leading international experts covering the spectrum of enhancement.

Full details of the conference will be made available in the coming weeks on the conference website ([www.enhancementthemes.ac.uk/enhancement-themes-conference](http://www.enhancementthemes.ac.uk/enhancement-themes-conference)).

An online 'Call for Abstracts' will open on 3 September 2012 and close on 2 November 2012. Submission of **full papers, poster presentations and workshop session proposals** will be invited in the following areas:

- Curriculum innovation
- Achieving curriculum change
- Internationalisation of the curriculum
- Impact of national policy on quality enhancement
- Teaching postgraduate students
- Supporting enhancement through quality processes
- Collaboration in curriculum development, including staff-student, inter-institutional and interdisciplinary
- Empowering staff
- Empowering students
