

MONTREAL 2013

CALL FOR CONTRIBUTIONS TO THE PROGRAMME STRANDS

The first world congress on access to post-secondary education will be held at the Mount Royal Centre, Montreal, Canada, from October 7-10 2013. Information about the Congress can be found at: www.eanworldcongress.org

The World Congress Planning Committee invites you to submit a proposal for an activity within the strands which will provide the framework for discussions and planning during Montreal 2013. Proposals will be accepted from individuals and organisations in academia, business, government, the community sector, international agencies and elsewhere.

The strands and their co-ordinators are listed below and full strand descriptions can be found on the Congress website. **You are asked to submit your proposal directly to the co-ordinator/s of the particular strand in which you are interested.**

- 1. Students as change agents - Harnessing the creative energy of students to accelerate global access efforts**
