## What can See A Game offer you?

See A Game enables teachers and business start-up counselors from all over Europe to use games to foster entrepreneurial attitudes in a fun and challenging way. Using a set of games, learners discover the value of competing and collaborating. Relevant aspects of entrepreneurial processes are simulated and entrepreneurial attitudes are stimulated.

## Course languages

The main language used for the training is English but the materials will also be provided in Dutch, French, German, Italian, Latvian and Norwegian.
