

INTERNATIONAL HOLOCAUST DAY 2021

REGIONE AUTONOMA
FRIULI VENEZIA GIULIA

**A GREETING FROM OUR MAYOR,
MR. HAIM BIBAS**

THIS ENCOUNTER IS COMPRISED OF 3 PARTS, REPRESENTING:

Past

We will watch a clip, hearing from a survivor,
who was hid by a “righteous among the nations”

Present

We will experience your own, current connection to the Holocaust, through the pictures
that you chose to share with us.

Future

We will have a discussion, relating to our common, mutual responsibility towards our
surroundings, to share a peaceful future together.

PART 1: PAST

Sharing a story of **Sydney Zoltak**,
who was rescued by a righteous among the nations

FIRST DISCUSSION QUESTION:

What motivates a person to help another, especially when endangering him/herself?

And what can be learned from this, as individuals and as a society?

PART 2: PRESENT

“Rikma Enosheet”

(freely translated to: human tapestry)

PART 3: FUTURE

Live discussion with guided questions

SECOND QUESTION:

When do we feel obligated to take a stand and an active role, and when might we act indifferently towards a problematic situation surrounding us?

THIRD QUESTION:

Has COVID-19 made us more or less indifferent towards others' suffering?

THANK YOU SO MUCH FOR YOUR PARTICIPATION AND COOPERATION!

Wishing much health to all

And a future: free of hatred.

With many friendships, positive growth,
development and mutual learning experiences

Welcoming you to visit Israel, and Modiin!
