

Museum and Heritage Education Symposium

Community, Collaboration and Care

13th September 2023

ERASMUS MUNDUS
JOINT MASTER

Education
in Museums
& Heritage

Through a series of interactive presentations and round table discussions, renowned academics and field practitioners will explore the impact of social, political, cultural, and technological influences on museum and heritage education. The key themes of Community, Collaboration and Care will characterise the day. Sign up via Eventbrite using the QR code below.

Organised by The International Master of
Education in Museums and Heritage Consortium
